LMI Cyber Security Awareness

Hold On To Handy Habits

HANDY HABITS

7 SMART CYBERSECURITY HABITS

- Think twice before clicking on links or opening attachments.
- Verify request for private information.
- Protect your passwords.
- Protect your stuff. Lock it up or take it with you.
- Keep your devices, browsers and apps up to date.
- Back up critical files.
- If it's suspicious, report it!

Not sure? Drop us a line!
it_dept@ludlums.com or call ext. 3525 to report it
